Subject : **Basel III - The Net Stable Funding Ratio (NSFR) Frequently Asked Questions**

The Basel Committee has received a number of interpretation questions related to the October 2014 publication of the NSFR standard. In order to promote consistent global implementation of these requirements, the Basel Committee periodically reviews frequently asked questions and publishes answers along with any necessary technical elaboration of the rules text and interpretative guidance, if needed. The recently issued document deals with these Frequently Asked Questions (FAQs) and answers on Basel III's Net Stable Funding Ratio (NSFR).

Banks should access the BCBS document from BIS website [www.bis.org](http://www.bis.org).
